peerTransfer

How it works

When you register with peerTransfer, you will be advised of the exact amount you need to pay in your preferred currency. You will then make this payment to peerTransfer via a local bank transfer, and they will forward it (in AUD) directly to your Curtin student account.

Why use peerTransfer?

- peerTransfer allows you to pay from almost any country or bank in your home currency
- No bank fees or further charges
- Competitive exchange rates and a price guarantee
- Fast transfers – your payment is usually received by Curtin within 3-4 business days
- A guarantee that Curtin will receive the correct amount once your payment is made, you don’t need to worry about fluctuation exchange rates!
- Payment tracking via a student dashboard, with notification via email once payment is received by Curtin.

How do I use peerTransfer?

Using your eInvoice or Letter of Offer (International Students) go to Curtin ePay (www.epay.curtin.edu.au) and enter your student details to begin the payment process.
Select *peerTransfer* as your payment option and you will be redirected to the peerTransfer website.
