

POSTGRADUATE COURSES, FEES AND INTAKES

For specific course information visit www.handbook.curtin.edu.au

STUDIES BY COURSEWORK

Teaching Areas Key				
C	Curtin Business School	HS	Health Sciences	
H	Humanities	R	Resources and Environment	
E	Engineering, Science and Computing			

Standard Master Degree Key				
MCA	Master of Creative Arts	MBA	Master of Business Administration	
MA	Master of Arts	MCom	Master of Commerce	
MEngSc	Master of Engineering Science	MEng	Master of Engineering	
MAppSc	Master of Applied Science	MSc	Master of Science	

Notes Key				
† Check www.international.curtin.edu.au for fee details # Some units are available * Course undertaken on a 75-credit point per semester basis.				

Important Notes

The tuition fees (shown in Australian dollars) are based on a normal full-time workload of 100 credits per semester (200 credits per year) unless otherwise stated. Students studying more than 100 credits per semester will have a higher annual tuition fee. The tuition fee is calculated and charged on a semester or, where appropriate, trimester basis. A student should expect that the indicative semester/trimester course fee, as shown on the Letter of Offer, might vary from the actual tuition fee according to the units (subjects) undertaken.

The Indicative Fees are a guide as to what the actual tuition fee will be. The actual tuition fee is not calculated until enrolment is completed. To calculate the actual course fee, you can refer to the unit (subject) fee that is listed at www.fees.curtin.edu.au/unit_fees.cfm. The Total Indicative Course Fee is an estimate of the total fee for the entire duration of the course and includes estimated indexed yearly increases. Indicative Essential Incidental Fee may be for items such as extra lab materials or course materials specific to that course. All fees listed are subject to annual increases. Information is correct as at December 2006 and is subject to change.

TRIMESTER STUDIES

There are three trimesters in each year, enabling students to progress more quickly through their course. Students enrolled in an accelerated study mode will complete 100 credits each trimester, or a total of 300 credits each year. MBA students may progress to the award of MBA (Advanced) with the addition of 100 credits, or one trimester of study. The courses below are offered on a trimester basis.

Key	Course Name	CRICOS Code	Duration (Years)	Intakes	Campus	2008 Indicative International Onshore Fees (A\$)				Page Ref

MINING PROGRAMS AVAILABLE BY INTENSIVE STUDY MODES

Intensive courses are offered in a module format comprising one or two blocks. The blocks are of three to four weeks in duration and are delivered in January, February, June, July and/or November. NOTE: The course listed below is not available to students studying under a student visa. For further details, contact the Western Australian School of Mines, tel: +61 8 9088 6001 or via e-mail wasm@wasm.curtin.edu.au

MASTER BY COURSEWORK

MEngSc	Master of Engineering Science	MEng	Master of Engineering	
MAppSc	Master of Applied Science	MSc	Master of Science	

Important Notes

Master by Research and Doctoral students may enrol at any time during the academic year and submit a thesis for examination at any time of the academic year. A research student's tuition fee is equivalent to the combination of units, including thesis load and coursework credits, undertaken per academic year (consisting of 50 weeks). The fee is normally payable in advance in two equal instalments. However, where the student enrolment makes this impractical, special billing arrangements will apply. Initial and final determination of the fee liability for research students will be based on the date of enrolment and the date of submission of the thesis as a proportion of 50 study weeks rounded down to the nearest week. Tuition fees are shown in Australian dollars.

All fees listed are subject to annual increases. Information is correct as at December 2006 and is subject to change. The Total Indicative Course Fee is an estimate of the total fee for the entire duration of the course and includes estimated indexed yearly increases. Indicative Essential Incidental Fee may be for items such as extra lab materials or course materials specific to that course.

Notes Key

† Check www.international.curtin.edu.au for fee details
